

# Dolphin Research Institute Presents:

## ***“Through the Eyes of a Dolphin”***

- Unique 1 hour presentation
- Stunning Images
- Footage of Victoria's marine life that you just won't see any where else.
- Presented by our team that live and breathe the ocean on a daily basis.

### ***Come to us!***

Visit us at our centre in Hastings, Victoria

Only **1 hour** from Melbourne on the beautiful Mornington Peninsula.

### **Ask us for ideas to make a whole day out**

- Lunch (At a Hastings Hotel & other options)
- Other attractions on the Mornington Peninsula

### ***We can come to you!***

DRI offers in house presentations for a group of 26 people or more at your venue.

### **What others thought of our program ....**

“we will long remember the various images presented, ... particularly the leaping whales, blue devil fish and chameleon-like octopus”

“the best speaker we have ever had”

“Our members are delighted that your role with DRI will ensure that our future generations will have protection and conservation of our bay and it's unique species at the fore-front of their minds”

“your presentation ... on the wonders of Port Phillip was considered amongst the best that our members have heard and seen”

### **Cost of \$8.80 per person.**

All proceeds support our vital education and research programs
