Adopt-A-Dolphin for Christmas

*Adopt-A-Dolphin
the perfect gift
for Christmas*

Looking for a pet that will make everybody's Christmas this year?

Adopt-A-Dolphin today and you can rest easy this summer knowing that you've helped look after our dolphins and their watery home.

Adopt-A-Dolphin is THE perfect gift for children and adults with a passion for the sea.

The Dolphin Research Institute is a not for profit conservation organisation working hard to protect our dolphins and their environment right here in Victoria. They gain very little government funding and Adopt-A-Dolphin members have now been supporting the Dolphin Research Institute for nearly two decades.

Your Adopt-A-Dolphin gift will help us achieve:

- Vital marine research and conservation programs for Port Phillip, Western Port and the Gippsland Lakes
- Influential marine education for children and adults, including the 'i sea, i care' Ambassador Program
- A powerful voice to speak on behalf of Victoria's Living Marine Treasures.

Helping protect Victoria's Marine Treasures should make everyone's Christmas!

Adopt-A-Dolphin supporters receive:

- A personalised certificate, member's materials and 'i sea, i care' bumper sticker,
- DRI newsletters,
- Children receive marine parks activity book and stickers,
- Regular e-bulletins are also sent.
