

# Victoria's Marine Treasures

Presented by

## The Dolphin Research Institute

A perfect part of a day trip for everyone!

i sea, i care®

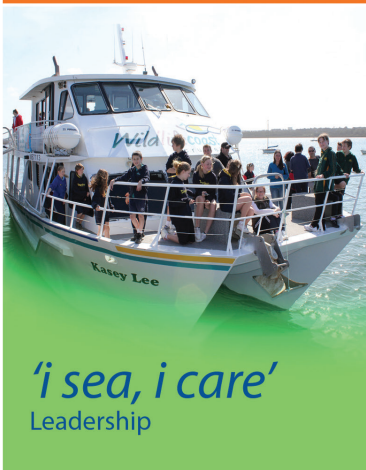

### Research

For conservation

### Education

The next generation

*'i sea, i care'*  
Leadership

Join us for a spell-binding hour with our passionate team.

Let us change your ideas about the wonders that live in our bays with stunning images and footage of our marine treasures that you won't see anywhere else. Learn about the work of the Institute.

Come to our centre in Hastings on the beautiful Mornington Peninsula. Ask us for ideas to make a whole day out! Lunch next door at the Marina Bistro (5979 3699) or at the Kings Creek Hotel (5979 2989).

### What others thought of our program ....

"we will long remember the various images presented, ... particularly the leaping whales, blue devil fish and chameleon-like octopus"

"the best speaker we have ever had"

"Our members are delighted that your role with DRI will ensure that our future generations will have protection and conservation of our bay and it's unique species at the fore-front of their minds"

"your presentation ... on the wonders of Port Phillip was considered amongst the best that our members have heard and seen"

Cost of \$11 per person. All proceeds support our vital education and research programs  
Western Port Marina, Mullet St, Hastings (Southern end of car park, MELWAYS 154 K12)
