

# *i sea, i care* Ambassador Activity Record

This document is for ambassadors and coordinators to record what they do at their school throughout the year during their *i sea, i care* program. This data will go towards Dolphin Research Institute (as well as the schools) understanding what the participating schools are doing outside of the workshops and recognize any outstanding ambassadors or schools. Please return this document to the Education Manager at Dolphin Research Institute at the conclusion of the program.

Please include any events where the ambassadors are using their voice to speak up and raise awareness for the environment such as:

- Speaking at Assemblies
- Peer teaching to younger grades, community groups or others
- Projects or events the ambassadors take part in
- Any other activities or opportunities that relate to the ISIC program
